

TECHLINK

Techlink is a seven-storey high-specifications industrial building located in Kaki Bukit industrial area and it is conveniently located near Kaki Bukit MRT station. Designed originally to support semiconductor, information technology and electronics industry, the building has good infrastructure provisions and efficient floor plate, giving tenants greater flexibility. The building has undergone asset enhancement in 2015 and is a good proposition for companies seeking showroom units with good road visibility.

31 Kaki Bukit Road 3
Singapore 417818
