**CapitaLand Investment and its joint venture partner  
divest International Tech Park Pune, Hinjawadi to  
CapitaLand India Trust for S\$221.9 million**  
***Supports the growth of CLI's sponsored trust in its core market India while  
expanding CLI's funds under management and fee-related earnings***

**Singapore, 29 December 2022** – CapitaLand Investment (CLI)'s wholly-owned subsidiary Ascendas India Development VII<sup>1</sup> and its joint venture partner Maharashtra Industrial Development Corporation (MIDC) have entered into separate agreements with CapitaLand India Trust (CLINT) to divest their respective 78.5% and 21.5% shareholding in Ascendas IT Park (Pune) to CLINT for approximately INR13.5 billion (S\$221.9 million<sup>2</sup>). Ascendas IT Park (Pune) owns International Tech Park Pune in Hinjawadi (ITPP-H) in India. The total sale consideration<sup>3</sup> represents a premium of approximately 9% to CLI's valuation<sup>4</sup> for ITPP-H in December 2021. The proposed divestment of ITPP-H is subject to CLINT's unitholders' approval at an extraordinary general meeting and is targeted to be completed by February 2023.

ITPP-H will further enhance CLINT's portfolio. ITPP-H is an IT Special Economic Zone, developed on a 25-acre 99-year leasehold land. It has a total floor area of 2.3 million square feet across four buildings. ITPP-H is close to 100% leased to prominent tenants such as Infosys Ltd., Synecron Technologies Pvt. Ltd. and Tata Consultancy Services Ltd. Post-divestment, CLI will continue to provide property and lease management services for ITPP-H to CLINT.

Mr Jonathan Yap, CEO, Listed Funds, CLI, said: "CLI's proposed divestment of ITPP-H to CLINT is in line with our strategy to provide quality, stable-performing assets to support the growth of our sponsored trusts<sup>5</sup>. Adding another top-class IT park to CLINT's strong portfolio of eight IT parks enables CLI to participate in CLINT's growth in India, which is one of CLI's core markets. The proposed divestment would increase our funds under management and fee-related earnings."

"With this transaction, CLI has announced gross divestments of S\$2.9 billion year-to-date, close to our annual capital recycling target of S\$3 billion. Almost 90% are divestments to our listed funds and private vehicles, demonstrating these platforms as key growth drivers for us. CLI has a pipeline of about S\$10 billion of high-quality properties on our balance sheet, which we can potentially offer to our various fee income-generating listed funds and private vehicles," added Mr Yap.

The buildings within ITPP-H have obtained Leadership in Energy and Environmental Design (LEED) Gold certification and Indian Green Building Council (IGBC) Platinum certification for Green

CLI shares a symbiotic relationship with its listed trusts and private funds and has had an active year in supporting the growth of its managed funds. The proposed divestment of ITPP-H to CLINT follows CLI's recent proposed divestment of Queensbay Mall in Penang to CapitaLand Malaysia Trust. CLI's other divestments to its listed funds and private vehicles include CapitaSky, a Grade A office building in Singapore, to CapitaLand Integrated Commercial Trust and CapitaLand Open End Real Estate Fund in March 2022; and Ascendas i-Link, a business park in Shanghai, to its China Business Park Core RMB Fund I in November 2022.
