*Popular brands, including **Casa Vostra** and **Yeah Gelato**, which were first introduced at Raffles City Shopping Centre and Plaza Singapura respectively, are now expanding from Singapore's premier urban malls to the East.*

**Singapore, 29 October 2025** – Tampines Mall is set to unveil an elevated retail experience for shoppers of all ages, and from all walks of life. The iconic 30-year-old mall, which is undergoing a transformation, will offer shoppers a new and carefully curated mix of fashion, beauty, lifestyle, and dining concepts.

Marking a new chapter for Tampines Mall, the rejuvenation enhances its appeal as a one-stop destination in the heart of the East. The asset enhancement initiative, on track to be completed by the third quarter of 2026, will see a diverse retail mix and refreshed concepts alongside familiar favourites.

Mr Adrian Lai, General Manager of Tampines Mall said, “Our plans to enhance Tampines Mall’s appeal are part of our continuous efforts to be in sync with the pulse of our shoppers’ evolving lifestyle needs. We are excited to transform the space to deliver fresh, dynamic retail experiences that continue to inspire and delight.”

The mall’s food and beverage offerings will be further diversified with the introduction of several international brands, including:

- **Yeah Gelato** – popular premium gelato where every scoop is freshly made daily with finest ingredients. Their signatures include the Pistachio which stands out for its rich, nutty flavour and creamy perfection.

On the retail front, shoppers can look forward to:

- **Braun Büffel** – a renowned German brand exemplifying unwavering craftsmanship, timeless appeal, and a rich legacy of leather excellence.
- **Meilleur Moment** – a global fashion house founded ten years ago, with flagship stores across major global destinations including Paris, New York, Singapore, and China.
