Announcement Title *	CapitaMalls Asia Investments In Japan Safe
Description	As at 31 December 2010, CapitaMalls Asia Limited ("CMA")'s investments in Japan account for approximately 2% of CMA's total assets. CMA wishes to confirm that the Japanese properties it has investments in were not materially affected by the earthquake and tsunami which occurred on 11 March 2011. CMA's employees in Japan are safe and accounted for. CMA's investments in Japan are primarily held through its 26.29% stake in the CapitaRetail Japan Fund Private Limited which owns seven retail properties in Tokyo, Osaka, Hokkaido and Kobe. The properties comply with strict seismic safety standards and have not suffered any material structural damage. The properties have resumed operations. The initial public offering of CMA's shares was sponsored by J.P. Morgan (S.E.A.) Limited and DBS Bank Ltd.
