Important Notice

This presentation shall be read in conjunction with CCT's 2Q 2012 Unaudited Financial Statement Announcement.

The past performance of CCT is not indicative of the future performance of CCT. Similarly, the past performance of CapitaCommercial Trust Management Limited, the manager of CCT is not indicative of the future performance of the Manager.

The value of units in CCT (CCT Units) and the income derived from them may fall as well as rise. The CCT Units are not obligations of, deposits in, or guaranteed by, the CCT Manager. An investment in the CCT Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the CCT Manager redeem or purchase their CCT Units while the CCT Units are listed. It is intended that holders of the CCT Units may only deal in their CCT Units through trading on Singapore Exchange Securities Trading Limited (SGX-ST). Listing of the CCT Units on the SGX-ST does not guarantee a liquid market for the CCT Units.

This presentation may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other developments or companies, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of the CCT Manager on future events.

- Use of proceeds: For general corporate purposes including funding of the concurrently announced tender offer for any or all of CCT's outstanding convertible bonds due 2013 and issued in 2008
- Convertible bonds will bear interest at rate of 2.5% per annum payable semi-annually
- 103,851,403 new conversion units to be allotted and issued based on the initial conversion price of S\$1.6851
- Maturity Date: On or about 12 September 2017

Financial flexibility with unsecured borrowings; Low exposure to interest rate risk

Financial flexibility with more unsecured borrowings

Low exposure to interest rate risk and certainty of cash flow with fixed rate borrowings

Note:

(1) CCT's borrowings on fixed rate has increased from 81% (1Q 2012) to 90% (2Q 2012) due to the hedging of interest rates of MSO Trust's bank loans for the development of CapitaGreen.

Further enhanced financial flexibility

- Total number of unsecured assets : 8 out of 10
- Value of unsecured assets : approximately S\$4.5 billion
- S\$1.7 billion untapped balance from S\$2.0 billion multicurrency medium term note programme

Hotels and Convention Centre rent review update

Rental Components of Lease ⁽¹⁾

Minimum Rent	With annual step up of S\$2m, minimum rent will increase from S\$43m to S\$51m •there is a change in the minimum rent given that part of the hotel space has been surrendered to RCS Trust. The revised minimum rent is net of rent payable for the surrendered area •this translates to a 22% increase in rent when comparing the minimum rent in the 2011 to 2016 term to the 2006 -2011 term on similar basis
Variable Rent	8.5% of gross operating revenue
Service Charge	Fixed with annual adjustment and tariff rate change

■ Upgrading of hotel facilities

- RC Hotels undertakes to refurbish the hotel facilities using at least 6% of the total operating revenue over six years

Note:

(1) Lease period: From November 2011 to November 2016.

Positive portfolio leasing activity

- (3) CCT portfolio property yield based on annualised 1H 2012 net property income and June 2012 valuation

Outlook and Summary

- **Outlook**

- Uncertain global economic environment
- MTI: Singapore 2Q 2012 GDP contracted at 0.7% on a quarter-on-quarter annualised basis reversing expansion of 9.5% in the previous quarter; 2012 GDP growth forecast narrowed to 1.5% to 2.5%
- Yet office net demand was positive in 1H 2012

- **Summary**

- Completed one cycle of portfolio reconstitution strategy
 - Recycled sale proceeds into acquisition, development and AEI
- Resilient portfolio
 - Higher portfolio committed occupancy at 96.2%
 - Top 10 tenants' weighted average lease term to expiry is now 17.9 years
 - Only 4% of office leases due for renewal on portfolio income basis (limit impact of any market rent decline in 2012 and downside leasing risks)
- Gearing at 30.1%; Debt capacity for investment opportunities
