Directors' fees of the non-executive Directors (including the Chairman) will be paid as to about seventy per cent. (70%) in cash and about thirty per cent. (30%) in the form of share awards under the RSP, save in the case of (i) Ms Euleen Goh Yiu Kiang (who is retiring from the Board at the conclusion of the AGM) and Mr John Powell Morschel (who retired from the Board at the conclusion of the last annual general meeting), both of whom will receive their Directors' fees wholly in cash; and (ii) Mr Gabriel Lim Meng Liang whose Director's fees will be paid fully in cash to a government agency, The Directorship & Consultancy Appointments Council. The actual number of shares to be awarded will be based on the volume-weighted average price of a share of the Company on the SGX-ST over the 14 trading days from (and including) the ex-dividend date following the AGM. The actual number of shares to be awarded will be rounded down to the nearest share, and any residual balance settled in cash. The awards will consist of the grant of fully paid shares, with no performance conditions attached and no vesting periods imposed, although a share retention policy applies. The Directors' fees will only be paid upon approval by the shareholders at the AGM.

2. Ordinary Resolutions 4(a), 4(b) and 4(c)

Mr Ng Kee Choe will, upon re-election, continue to serve as Chairman of the Board, the Strategy, Investment and Finance Committee and the Executive Resource and Compensation Committee, respectively, and a Member of the Nominating Committee. He is considered as an independent Director.

Ms Goh will, upon retirement, cease to be a Member of the Strategy, Investment and Finance Committee and the Risk Committee, respectively.

NOTICE OF ANNUAL GENERAL MEETING

EXPLANATORY NOTES *(continued)*

3. Ordinary Resolution 5

Mr Lee Chee Koon will, upon re-election, continue to serve as an Executive Non-Independent Director.

Please refer to the “Supplemental Information” section of the Company’s Annual Report 2018 for information relating to Mr Lee as set out in Appendix 7.4.1 of the Listing Manual of the SGX-ST.

4. Ordinary Resolution 7

Ordinary Resolution 7, if passed, will empower the Directors to issue shares in the Company and to make or grant instruments (such as securities, warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments from the date of the AGM until the date of the next annual general meeting of the Company unless such authority is earlier revoked or varied by the shareholders of the Company at a general meeting. The aggregate number of shares which the Directors may issue (including shares to be issued pursuant to convertibles) under this Resolution must not exceed fifty per cent. (50%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) with a sub-limit of ten per cent. (10%) for issues other than on a *pro rata* basis. For the purpose of determining the aggregate number of shares that may be issued, the total number of issued shares (excluding treasury shares and subsidiary holdings) will be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) at the time that Ordinary Resolution 7 is passed, after adjusting for (i) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that Ordinary Resolution 7 is passed, and (ii) any subsequent bonus issue, consolidation or subdivision of shares. As at 28 February 2019, the Company had 111,569,891 treasury shares and no subsidiary holdings. The sub-limit of ten per cent. (10%) for issues other than on a *pro rata* basis is below the twenty per cent. (20%) sub-limit permitted by the Listing Manual of the SGX-ST. The Directors believe that the lower sub-limit of ten per cent. (10%) would sufficiently address the Company’s present need to maintain flexibility while taking into account shareholders’ concerns against dilution.

NOTICE OF ANNUAL GENERAL MEETING

EXPLANATORY NOTES *(continued)*

5. Ordinary Resolution 8

Ordinary Resolution 8, if passed, will empower the Directors to grant awards under the PSP and the RSP, and to allot and issue shares pursuant to the vesting of such awards provided that the aggregate number of shares to be issued, when aggregated with existing shares (including treasury shares and cash equivalents) delivered and/or to be delivered pursuant to the PSP, the RSP and all shares, options or awards granted under any other share schemes of the Company then in force, does not exceed five per cent. (5%) of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) from time to time. The maximum level allowable, across the entire duration of the PSP and the RSP, is eight per cent. (8%) of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) from time to time (the "Overall Limit"). The Directors believe that the lower level of five per cent. (5%) in Ordinary Resolution 8 is adequate for the Company's current needs. The approval of shareholders may be sought at any subsequent annual general meeting of the Company for another level, including a higher level up to the full extent of the Overall Limit, if then considered appropriate. The Directors also currently do not intend, in any given financial year, to grant awards under the PSP and the RSP which, collectively, would comprise more than one per cent. (1%) of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) from time to time (the "Yearly Limit"). Should the Yearly Limit not be fully utilised in any given financial year, the unutilised balance will be carried forward and may be used by the Directors in subsequent years to make grants of awards under the PSP and the RSP.

6. Ordinary Resolution 9

Ordinary Resolution 9, if passed, will empower the Directors to exercise the power of the Company to purchase or acquire its shares, until the date of the next annual general meeting of the Company unless such authority is earlier revoked or varied by the shareholders of the Company at a general meeting. The Company intends to use internal sources of funds, external borrowings, or a combination of internal resources and external borrowings, to finance purchases or acquisitions of its shares. The amount of financing required for the Company to purchase or acquire its shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this notice of AGM as these will depend on, *inter alia*, whether the shares are purchased or acquired out of capital and/or profits of the Company, the aggregate number of shares purchased or acquired, and the consideration paid at the relevant time. For illustrative purposes only, the financial effects of an assumed purchase or acquisition by the Company of two per cent. (2%) of its shares (excluding treasury shares and subsidiary holdings) as at 28 February 2019, at a purchase price equivalent to the Maximum Price per share, in the case of both a Market Purchase and an Off-Market Purchase, based on the audited financial statements of the Group and the Company for the financial year ended 31 December 2018 and certain assumptions, are set out in paragraph 2.7 of the Company's Letter to Shareholders dated 18 March 2019.

EXPLANATORY NOTES *(continued)*

7. Ordinary Resolution 10

Ordinary Resolution 10, if passed, will (i) approve the adoption of the CapitaLand PSP 2020 to replace, with effect from 1 April 2020, the existing PSP, and (ii) empower the Directors to grant awards under the CapitaLand PSP 2020, and to allot and issue shares pursuant to the vesting of such awards, provided that the aggregate number of shares which may be issued, when aggregated with existing shares (including treasury shares and cash equivalents) delivered and/or to be delivered pursuant to the CapitaLand PSP 2020, the CapitaLand RSP 2020 (as defined in Ordinary Resolution 11) and all shares, options or awards granted under any other share schemes of the Company then in force (for the avoidance of doubt, excluding any share schemes which have expired or terminated), does not exceed five per cent. (5%) of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) from time to time.

The maximum level allowable, across the entire duration of the CapitaLand PSP 2020 and the CapitaLand RSP 2020, is eight per cent. (8%) of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) from time to time (the “Total Limit”). The Directors believe that the lower level of five per cent. (5%) in Ordinary Resolution 10 is adequate for the Company’s current needs. The approval of shareholders may be sought at any subsequent annual general meeting of the Company for another level, including a higher level up to the full extent of the Total Limit, if then considered appropriate. The Directors also currently do not intend, in any given financial year, to grant awards under the CapitaLand PSP 2020 and the CapitaLand RSP 2020 which, collectively, would comprise more than one per cent. (1%) of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) from time to time (the “Annual Limit”). Should the Annual Limit not be fully utilised in any given financial year, the unutilised balance will be carried forward and may be used by the Directors in subsequent years to make grants of awards under the CapitaLand PSP 2020 and the CapitaLand RSP 2020.

As the CapitaLand PSP 2020 is proposed in replacement of the existing PSP (which is proposed to be terminated with effect from 1 April 2020), no awards would be granted under the CapitaLand PSP 2020 prior to 1 April 2020. Upon the termination of the existing PSP, no further awards will be granted under the existing PSP.

Please refer to the Company’s Letter to Shareholders dated 18 March 2019 for more details.

The maximum level allowable, across the entire duration of the CapitaLand RSP 2020 and the CapitaLand PSP 2020, is eight per cent. (8%) of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) from time to time (the "Total Limit"). The Directors believe that the lower level of five per cent. (5%) in Ordinary Resolution 11 is adequate for the Company's current needs. The approval of shareholders may be sought at any subsequent annual general meeting of the Company for another level, including a higher level up to the full extent of the Total Limit, if then considered appropriate. The Directors also currently do not intend, in any given financial year, to grant awards under the CapitaLand RSP 2020 and the CapitaLand PSP 2020 which, collectively, would comprise more than one per cent. (1%) of the total number of issued shares of the Company (excluding treasury shares and subsidiary holdings) from time to time (the "Annual Limit").
